About Our School

Spring Lake Elementary School was established in 1966, and has served the community with an outstanding education for many years. The school is located in Altamonte Springs, Florida, which is about 15 miles outside of Orlando, FL. Spring Lake has been a Five Star School for the past 5 years. Our Principal, Mr. Alex Agosto and Assistant Principal, Ms. Kimberly Lochrane are committed to setting a standard of excellence. The current focus for Spring Lake Elementary is the revitalization of classroom instruction utilizing current technology and research to promote positive collaboration, enhance learning and create a respectful climate that will encourage students to reach their learning potential.

The mission of Spring Lake Elementary School: working in partnership with its families and community, is to strive for excellence by providing a learning environment that will enable all students to achieve their potential.

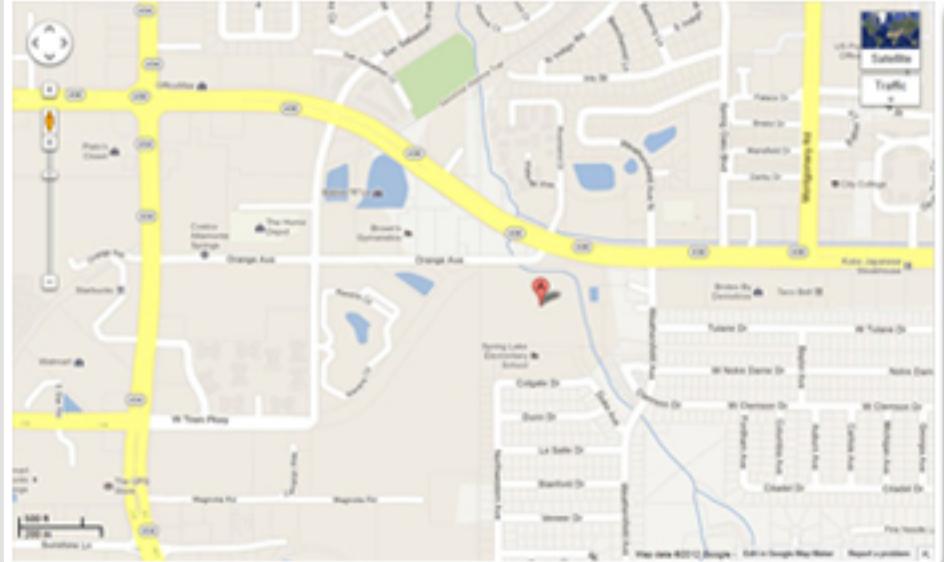

Our Technology

Spring Lake is one of the leading elementary schools in technology integration. Teachers and students use computers and technology as a part of their daily curriculum. Each classroom has an average of three computers and the school has three labs with 28 computers in each for student use and one mini lab with 15 computers. Our SuccessMaker Labs are used for a specific software program that allows students in grades 1-5 to practice math and reading skills aligned with the Next Generation Sunshine State Standards for their grade level. The production lab is used by teachers when they have a special project they are working on incorporating technology such as: Webquests, Digital Storytelling, Podcasts, Blogs, Online Research, Excel

Spreadsheets, PowerPoint projects, and virtual field trips. In addition to desktop computers, we have Tungsten E2 Hand-held computers, Epson Brightlinks, Promethean ActivBoard, AlphaSmart NEOs, 4 wireless laptop computer labs and many other technological tools.

Map and Directions to Spring Lake Elementary School

[Click Map to View Larger](#)

**695 Orange Avenue
Altamonte Springs, FL
32714**

Take I-4 to the Altamonte Springs Exit (SR 436) and head west for 2 miles.
